I acknowledge and certify that I fully understand the following:

- The California Bar Rule requires 24-26 weeks of consecutive study to receive ½ year credit or 48-52 weeks of consecutive study to receive 1 year credit. Withdrawing from American Institute of Law, may result in the loss of credit.
- If I choose to withdraw, in order to be re-instated, I must re-apply for admissions and that my re-acceptance is at the sole discretion of American Institute of Law.
- If I have any outstanding tuition due, this petition will not extinguish my obligation to pay all tuition due. I understand that I will be responsible for all charges to the point that I informed the Director of Admissions in writing.
- I am aware that upon successful completion of my first year of law school at American Institute of Law, I will have three consecutive opportunities (administrations) to pass the First Year Law Student Exam (FYLSX). If I have not passed the FYLSX after the third administration, I will be unable to re-enter or continue attending American Institute of Law until I have passed the FYLSX.
